ELECTION OF SPECIES

Sir:

In response to the Office Action dated February 10, 2003, for which the time for a response has been extended one (1) month to include April 10, 2003, please enter the following election.

Claims 1-8 were restricted as claiming two patentably distinct species, namely species 1 of FIG. 2 and species 2 of FIG. 6.

Applicant elects to continue prosecution of species 1 of FIG. 2 in the present patent application. With respect to the election of species 1, claims 1-3 are also elected for continued prosecution.

Applicant's election is made without prejudice. As noted by the examiner, upon allowance of a generic claim, Applicant will be entitled to consideration of claims to additional species written in dependant form or otherwise including all of the limitations of an allowed generic claim as provided by 37 CFR 1.141.

The foregoing election does not result in a change of inventorship. Therefore, Applicant respectfully request entry of the election and a favorable allowance of the pending claims is earnestly solicited.

Respectfully submitted,

Paul D. Greeley
